All aesthetic facials are done using the iconic DermExcel™ products. The DermExcel™ skincare range includes advanced treatment products for the management of photo aging, hyperpigmentation and acne. DermExcel™ incorporates topical antioxidants, Vitamin E, Vitamin C, Niacinamide, Powerful Peptides, Hydroxy acids, Retinoids, Hyaluronic acid, and Kojic acid. Products are formulated to pharmaceutical standards of purity and potency. Manufacturing of Dermal Health products are conducted in a pharmaceutical manufacturing facility registered and licensed at the Department of Health and the Medicine Control Council of South Africa.
